

# Mitigating against Educational Disadvantage Fund – Apply Today

**ETB is now inviting applications from Community Education providers within counties for funding from the Governments Mitigating against Educational Disadvantage Fund.**

## This fund places a strong focus on:

- Community Education as a mechanism to continue to support and engage with disadvantaged learners
- Reaching out, encouraging and supporting learners to re-engage with education and training
- Enticing new learners to engage with education and training opportunities
- Enabling the investment in building the digital infrastructure of providers, and their capability to ensure that online learning can be delivered in a way that meets the complex needs of all learners.

## Categories eligible for funding consideration are:

**Digital Technologies** to supply devices, software and systems, or CPD training, to facilitate high quality learning and delivery

**Learner Assistance Fund** to help, where appropriate, with costs associated with course participation, such as books and class materials

**Outreach, Engagement and Mentoring Fund** to assist with costs associated with activities such as awareness raising, and services to promote re-engagement

**COVID-19 Exceptional Circumstances Fund** for Community Education to address educationally disadvantaged learners.

The role of Community Education has never been more valuable in in 2020.  
This fund is an opportunity to help people in our local communities across to  
engage or re-engage in education and training, build their confidence, achieve personal fulfilment and  
be supported to reach their full potential.
